

# Pattern for birdhouse pieces

## Body of box

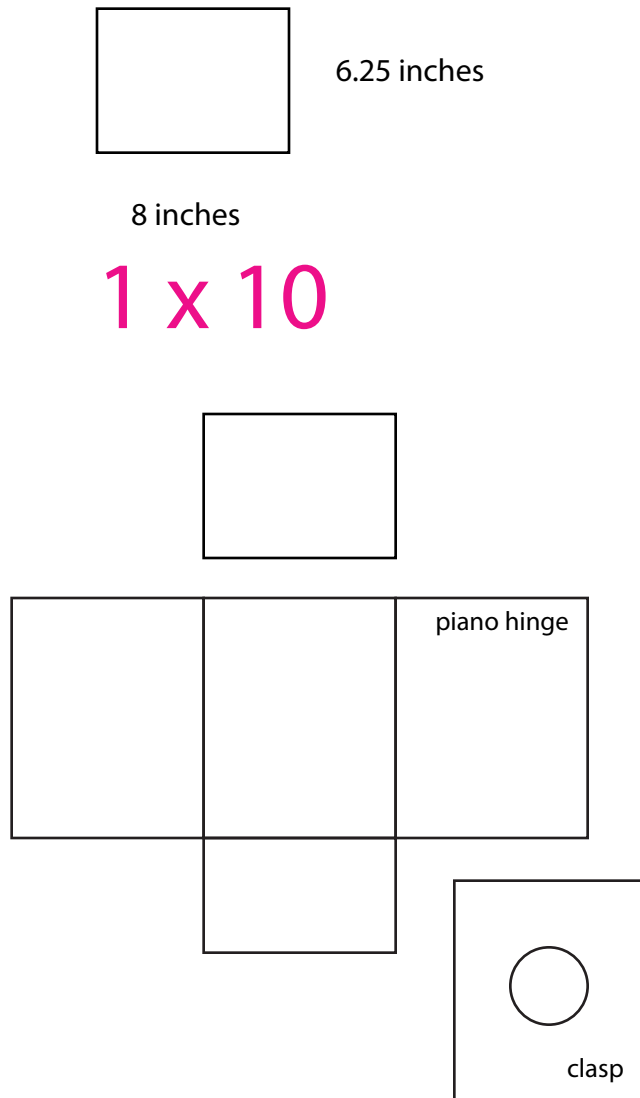

1 x 6

**Total for body 1 birdhouse = 44 inches**

**Total for 44 birdhouses = 1,936 inches**

**1,936/12 = approx 162 feet**

## Roof

**Total for roof 1 birdhouse = 6.25 inches**

**Total for 44 birdhouses = 275 inches**

**275/12 = approx 23 feet**

**If length of 1 x 6 is 12 feet that would mean 162/12 = approx 14 planks**

**If length of 1 x 10 is 12 feet that would be 23/12 = approx 2 planks**
